

ke Bill, Three Others ce Y Senate Tonight

by Jeddy LeVar

University Campus Editor

BYU Senate will tackle four major bills Monday night, according to the agenda announced Friday by the Steering

Committee. The bills deal with bicycle riding on campus, Campus Chest Drive, minimum grade point averages for appointed and elected positions and organized social activities on week

ends. President Diane Hatch urges students who have reservations or opinions on the bills to contact their senators

during the day. If necessary, she said, the senate will be opened as a committee of the whole and public comments taken at the meeting. It will be held at 7:15 p.m. in 210 McKay.

SENATOR ELEANOR Bethsold will introduce a resolution recommending eight rules to be incorporated into the forthcoming bicycle code.

The resolution provides that there be no bicycle riding on the asphalt sidewalk leading to Heritage Hall; that on the ramp leading from Helaman Halls to upper campus there be a double white line painted, which shall divide the ramp so that one-third of the width be reserved for bicycle use.

THE BILL would open the ramp south of the library to bicycle traffic, and close sidewalks of the quad during breaks between classes.

However, quad sidewalks would be open before 7 a.m. and after 5 p.m. Senator Bethsold's resolution would also stop bicycle traffic on the ramp leading from the Y Bell tower to the Smith Fieldhouse.

FINAL TWO points of the proposed legislation would cause "No bikes allowed" signs to be erected and recommend the physical plant to fix racks so they will hold the bicycles squarely.

In another bill to be introduced by Miss Bethsold, recipients of future Campus Chest Fund Drive collections will be named. According to the proposed bill, \$50 will first be taken out for the Christmas Drive.

REMAINDER of funds will go to: Y University Service (13%), Crippled Children (10%), Infantile Paralysis (10%), Cerebral Palsy (10%), Salvation Army (10%), American Korean Foundation (4%), Utah Mental Health Association (10%), Utah Heart Association (10%), Utah Cancer Foundation (10%), American Red Cross (5%), and Emergency Fund (14%).

The emergency fund will be used to guarantee according to the direction of studentbody president, suggests the legislation.

LAST YEAR, Boy Scouts of America and American Red Cross per cent of Campus Chest Fund Drive. Senator Bethsold's bill does not allocate funds to either of these two groups.

Last week, the American Red Cross annual blood drive at Brigham Young University was also cancelled.

BYU Phoenix Branch Depends on Location

Wilkinson Says Place, Price To Determine LDS Decision

Establishment of a junior college in Phoenix, Ariz., will depend primarily on whether the LDS Church is able to purchase land in a desirable location and at a reasonable price, BYU President Ernest L. Wilkinson said Friday.

Dr. Wilkinson's statement came on the heels of an announcement Wednesday by Arizona Governor Paul Fannin, that the Church of Jesus Christ of Latter-day Saints planned to build in Phoenix a branch of Brigham Young University.

BYU Debaters Cop Divisional Championship

Two Brigham Young University freshmen, who had never before debated as a team, last week captured the University's sophomore division championship of the Western States Speech Association Tournament.

Eighty-five teams from 81 schools west of the Mississippi River entered the tournament.

TIM WILDE, Provo, and Sally Kirkman, Orum, were paired for the eliminations two days before leaving Provo. In the final round of the Stockton, Calif., tournament, they smothered a Medford University team on a 3-0 decision, after taking seven other contests.

FOUR OF THE five Cougar teams made the final rounds of debate. Ron Walker and Don Black made the octofinals in senior speech debate, and Kathy Taylor and Sharon Van Wagner made the octofinals in the junior women's division.

DR. PEARSON and Allen Earl made the octofinals in the junior men's section.

IN OTHER EVENTS, Sally Kirkman and Sharon Van Wagner made the octofinals in the junior women's interpretive reading. Ron Walker made the finals in senior men's impromptu speech, while Tom Reid and Craig Christensen made the semi-finals in senior men's extemporaneous speech.

Hungarian Communist Kadar Accuses U. S. of Slandering

VIENNA, Austria, Nov. 30 — (UPI) — Hungarian Communist Party Leader Janos Kadar accused the United States today of inciting a slanderous campaign against Hungary in the United Nations.

KADAR addressed the opening of the seventh Hungarian Communist Party Congress in Budapest before an audience of Red leaders that included Soviet Premier Nikita Khrushchev.

There was widespread speculation outside Hungary that Khrushchev might use the party meeting to announce the withdrawal of Russian troops who crushed an anti-Communist uprising there in 1956.

KADAR'S KEYNOTE speech was distributed by the official Hungarian news agency MTI and broadcast by Budapest radio.

"The United States has incited a slanderous campaign against Hungary," he said. "We strongly protest against the holding of a debate on the so-called Hungar-

Press reports out of Phoenix said the most likely site for a new school was 259 acres of land presently being used as the state hospital farm in East Phoenix. The land, the press reports said, was worth \$4,000 to \$6,000 an acre.

PRESIDENT Wilkinson, who is administrator for the Church school system, further said that for some time the Church has been exploring the possibility of locating a junior college in or near Phoenix, or in other alternate locations in other western states.

"Since the establishment of a junior college would mean the expenditure for capital improvements of millions of dollars, its location is of prime importance," added Dr. Wilkinson.

"THE CHURCH does have great faith in the Phoenix area, and is impressed with the friendly, constructive attitude and religious tolerance of its citizens," continued the BYU executive.

"We are grateful to Governor Fannin and other public officials of Arizona for having made it manifest that they would welcome the establishment of such college in Arizona," concluded the president.

DR. WILKINSON also noted that "continuing operational costs will mean a substantial saving in educational expenses if the citizens of whatever state is finally decided upon for the location of the college."

BELOVED SISTERS—Enjoying themselves are charter members of Dilectus Chi Sorores [l-r] Diane Hess, Jan Lauritz and Jo Paine. Chi Sorores is the newest social unit on campus. The unit has outlined plans for a full year including a dinner-dance.

'Beloved Sisters' Pick Name for New Group

Dilectus Chi Sorores, Latin meaning beloved sister, has been selected by 21 Brigham Young University coeds as the name for their new social unit.

The addition of Chi Sorores, as it will be popularly known, brings the number of Y social units up to 17. Social units had their beginning at BYU in 1915.

WINTER QUARTER Chi Sorores members will be seen wearing black blazers with silver buttons. They have also selected silver necklaces.

A week after the unit was organized, Loral Almond, a charter member from Inglewood, Calif., entered the Delta Phi Dream Girl contest and was one of the 12 finalists selected from the original 40 entrants.

The idea for the new unit began with Jan Lauritz, North Hollywood, Calif., three years ago when she was a junior in high school. Her older brother told her about the unique social unit system and also the need for new units to keep up with the growing Y population.

Jan, now a sophomore, talked over the idea of forming a new unit with her roommate, Zora Page, and within one night they had called Scott Fisher, IOC president, and LaMar Hair, Inter-School Unit Council president, and made the necessary arrangements.

A CONSTITUTION has been drafted, temporary officers have been elected by the charter members and plans are being made for a full scale rush winter quarter along with the eight other women's units.

Cats Scratch Kittens

by Kenneth Morrison
Universe Sports Writer
BYU's varsity cagers overcame an early frosh lead to down the scrappy Kittens squad, 81-68 before 3,000 basketball fans Saturday night.

EVERY PLAYER on both teams saw action in a contest which was divided into three 15-minute periods.

The Cougars, starting with 6'6" Brent Peterson, 6'7" Valoy Davis, 6'9" Dave Eastas, 5'11" Jan Robinson and 6'5" Gary Earnest, built up a 20-18 lead in the first period. The Cougar starters played only one stanza.

JIM KELSON, Bruce Barton, Kirby McMaster, Gary Batchelor and Ron Steinke started for the frosh, with Ed Brown seeing some action in the first period.

Giants, Colts, Forty-niners Win Sunday to Keep Division Leads

by United Press International

The New York Giants clinched at least a tie for the National Football League's Eastern Division title Sunday while the San Francisco Forty-niners and Baltimore Colts remained tied for the Western lead. Each of the 12 clubs has two more regular season games.

NEW YORK walloped the visiting Washington Redskins, 45-

N. M. Lobos Pick Cougar Gridsters To 'All-Opponents'

ALBUQUERQUE, N. Mex. — Brigham Young University's game Cougars shared top "toughness" honors with Wyoming, according to an all-opponent poll taken among New Mexico football players.

Three members of each team were on the Lobos' all-opponent squad.

First team ends were E. A. Sims of New Mexico State and Sam Hardage of Air Force; the tacklers were John Kapele, of BYU and Dick Schnell of Wyoming; guards were Pat Smyth of Wyoming and Lonnie Dennis of B.Y.U. and Denver's Victor Morris was picked at center.

The backs were Jim Walden of Wyoming, Nyle McParlane of BYU, Jerry Hill of Wyoming and Pervis Atkins of New Mexico State.

The freshmen jumped to an 11-2 lead after four minutes as their "big brothers" couldn't find the mark.

Trick lead was short lived, however, as Peterson, Eaton and Earnest began to zero in from the outside. The frosh never really threatened after that.

Peterson led all scorers with 12 points as the scoring was well distributed on both sides.

Couch Stan Watts used a different squad each period. Freshman coach Pete Witbeck cleared the bench, although his first team started the third period.

Bruce Burton, who tanked 11 points to lead the frosh scoring, was impressive in the rebound department.

A BRIGHT SPOT for the varsity was the improved performance

from the sophomore height corps—Peterson, Bob Inglis, 6-10 and Glenn Stewart, 6-8. Stewart scored eight points, Inglis seven.

Frank Berrett scored 8, Valoy Eaton 8, Charley Davis 10, and Earnest 7 for the varsity.

ALL OF THE FROSH starters showed promise for Cougar basketball in the future. Steinke tallied 9 points, Kelson 7 and McMaster 6.

Jim Williams, Galt Johnson and Bob Cowart, who came in the second period, contributed 8 points apiece to the frosh cause. But the varsity led 50-41 at the end of the second period which was "half-time."

COVART, a 6-4 forward from Panzer, Nev. was a crowd pleaser with his graceful flying hook and lay-in shots.

San Francisco, a 100-point underdog, scored a 21-20 victory over the Browns at Cleveland and the Steelers walloped the Eagles at Pittsburgh, 31-0.

THE COLTS kept pace with the Forty-niners by defeating the Los Angeles Rams at Baltimore, 35-21. The Chicago Bears kept their Western Division hopes alive and remained a game behind the two leaders by walloping the Chicago Cardinals, 31-7.

Only five games were played Sunday. The Packers and Detroit Lions played Thursday with Green Bay winning, 24-17.

CHARLEY Conerly, rounding out his 12th season as New York's quarterback, was honored Sunday with a deluge of gifts that included two automobiles. The 38-year-old star responded by throwing two touchdown passes to Bob Schnelker and one to Kyle Rote.
